Music in the Mountains

On June 13th the Village of Cuchara will host our largest June event, the [Cuchara Country Music Festival](#). When you join us in Cuchara, you'll feel like you just walked into the set of the old Bonanza TV series, as you stroll along the covered boardwalks and rough-hewn pine buildings of this iconic western town. Visit the [Festival's website](#) to get the full line up for this full day of music, dancing and fun. Then make your [lodging reservations](#) quickly, as accommodations in Cuchara are limited. Then again, setting up base camp in La Veta or Walsenburg would be a great alternative. There are many great lodging values available year round in Huerfano County.
